

VEC News

March 2010

Hello and welcome to the 1st edition of VEC News.

I'm Colin Hughes and am currently the Coordinator of the recently formed "Volvo Enthusiasts Club 2010". (VEC 2010)

VEC 2010 was formed following Kevin Price's decision to stand down from the bulk of the work he had undertaken (almost single handed) for the last 20 years. The aims and principles of VEC 2010 remain as stated, the only difference now is that we run with a Committee which any member may join.

Kevin remains with VEC 2010 as our Honorary President & Club Historian. In this role he has kindly agreed to manage our indoor events (currently the Bristol Classic Car Show in May and the NEC Classic Car Show in November). He will also retain our links with the DVLA.

The rest of the team who have volunteered to help run VEC 2010 are:-

Dave Stadden, Membership

Trevor Ashley, Web Site

David Foxley, Southern Group Rep

Russ Evans, Northern Group Rep (Includes Scotland)

Robert Hughes, Regalia

Christine Hughes, Phones (although she doesn't know yet!!)

If anyone is interested in looking after the North East, The Midlands or Wales & Ireland, please let me know.

Contact details for me are:-

Home Number 01604 411960

Email VEC2010cjh@aol.com. Or via the Club eMail address.

I prefer contact via eMail, as I work shift patterns, however Christine or Robert will help where possible or take messages.

I thank those of you who have renewed your membership for this year, and welcome all our new members who had joined us this year.

4 events planned for this year at present.

The Bristol Classic Car Show 1st & 2nd May

A National in August or September, somewhere in the Midlands. This will also incorporate a first General Meeting of VEC 2010.

NEC Birmingham, November....awaiting confirmation of acceptance.

James Bond Museum, Kendal 3rd October (Northern Group Meeting, but all invited)

But check out the Web Site for the write up from the "Northern Group" event earlier this year.

I think that is all for now, please let me have your input, contributions and suggestions for the next issue.

Any budding journalists and computer wizards out there who can help with VEC News?

*Best regards,
Colin Hughes*
